**A. Compensation Sought**

16. Because of the benefits realized by the Debtors, the nature of services provided, the amount of work done, the time consumed and the skill required, Deloitte & Touche requests that

it be allowed, on an interim basis, compensation for the professional services rendered during the Third Interim Fee Application Period in the sum of \$60,800.00.

17. During the Third Interim Fee Application Period, allowance of compensation in the amount requested would result in a blended hourly billing rate for professionals of approximately \$366.04. The fees charged by Deloitte & Touche in these chapter 11 cases are billed in accordance with its existing billing structure and procedures in effect during the Third Interim Fee Application Period.

18. Deloitte & Touche respectfully submits that the professional services rendered by Deloitte & Touche for the Debtors during the Third Interim Fee Application Period were reasonable, necessary and appropriate to the administration of these chapter 11 cases and related matters.

**DELOITTE & TOUCHE'S REQUESTED FEES SHOULD BE ALLOWED BY THIS COURT**

19. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 sets forth the criteria for the award of compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

20. In these chapter 11 cases, Deloitte & Touche respectfully submits that the services for which it seeks compensation in the Third Interim Fee Application Period were necessary for and beneficial to the Debtors and were performed economically, effectively, and efficiently. Deloitte & Touche further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors. Further, in accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount of fees requested is fair and reasonable given: (i) the complexity of these chapter 11 cases; (ii) the time expended; (iii) the nature and extent of the services rendered; (iv) the value of such services; and (v) the costs of comparable services other than in a case under the Bankruptcy Code. Accordingly, the approval of the compensation and expense reimbursement sought herein is warranted.

#### **CERTIFICATE OF COMPLIANCE AND WAIVER**

29. Finally, as set forth in Exhibit C attached hereto, the undersigned representative of Deloitte & Touche certifies that it has reviewed the requirements of rule 2016-1 of the Local Rules and that the Application substantially complies with that Local Rule. To the extent that the Application does not comply in all respects with the requirements of Local Rule 2016-1, Deloitte & Touche believes that such deviations are not material and respectfully requests that any such requirement be waived.

**WHEREFORE**, pursuant to the Interim Compensation Order, Deloitte & Touche respectfully requests that, for the period from July 1, 2019 through October 31, 2019, the Court (i) grant Deloitte & Touche interim allowance of compensation in the amount of \$60,800.00 for professional services rendered during the Third Interim Fee Application Period, on an interim basis, (ii) authorize and direct the Debtors to pay the foregoing amounts to the extent not previously paid, and (iii) grant such other and further relief as may be just and proper.
